To be held on June 25, 2025

NOTICE IS HEREBY GIVEN that the Annual General Meeting (the “**Meeting**”) of shareholders of Atha Energy Corp. (the “**Company**”) will be virtually held online on Wednesday, June 25, 2025 at 10:00 a.m. (Vancouver time) for the following purposes:

1. to receive the audited consolidated financial statements of the Company for the year ended December 31, 2024 with the auditor’s reports thereon;
2. to fix the number of directors of the Company at seven;
3. to elect seven directors for the ensuing year;
4. to appoint the auditor for the ensuing year and to authorize the directors to fix the auditor’s remuneration;

All matters set forth above for consideration at the Meeting are more particularly described in the accompanying management information circular (“**Information Circular**”).

The Company is using the notice and access provisions (“**Notice and Access**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* for the delivery of its Information Circular to its shareholders for the Meeting. Under Notice and Access, instead of receiving paper copies of the Information Circular, shareholders will be receiving a Notice and Access notification with information on how they may obtain a copy of the Information Circular electronically or request a paper copy. Registered shareholders will still receive a Proxy form enabling them to vote at the Meeting. The use of the alternative Notice and Access procedures in connection with the Meeting is an environmentally responsible and cost-effective way to deliver Meeting materials to the Company’s shareholders. The Company will arrange to mail paper copies of the Information Circular to those registered and beneficial shareholders who have existing instructions on their account to receive paper copies of the Company’s meeting materials.

The Information Circular and other Meeting materials will be available on the Odyssey Trust Company website at <https://odysseytrust.com/client/atha-energy-com/> as of May 16, 2025, and will remain on the website for one full year thereafter. Meeting materials are also available upon request, without charge from our transfer agent, Odyssey Trust Company, via <https://odysseytrust.com/ca-en/help> or by phone at 1-888-290-1175 (toll-free within North America) or 1-587-885-0960 (direct from outside North America), or can be accessed online on SEDAR+ at www.sedarplus.ca, as of May 16, 2025.

Only shareholders of record at the close of business on May 8, 2025, will be entitled to receive notice of, and to vote at, the Meeting or any adjournment thereof. Shareholders who are unable to or who do not wish to attend the Meeting virtually are requested to date and sign the enclosed Proxy form promptly and return it in the self addressed envelope enclosed for that purpose or by any of the other methods indicated in the Proxy form. To be used at the Meeting, proxies must be received by Odyssey Trust Company, Proxy Department, Trader’s Bank Building, 702, 67 Yonge Street, Toronto, Ontario M5E 1J8 by 10:00 a.m. (Vancouver time) on June 23, 2025 or, if the Meeting is adjourned, by 10:00 a.m. (Vancouver time), on the second last business day prior to the date on which the Meeting is reconvened, or may be accepted by the chairman of the Meeting prior to the

commencement of the Meeting. If a registered shareholder receives more than one Proxy form because such shareholder owns shares registered in different names or addresses, each Proxy form should be completed and returned.

Dated as of the 12th day of May, 2025.

BY ORDER OF THE BOARD

ATHA ENERGY CORP.
ANNUAL GENERAL MEETING OF SHAREHOLDERS

INFORMATION CIRCULAR

GENERAL INFORMATION

This Information Circular is furnished to the holders (“**shareholders**”) of common shares (“**Common Shares**”) of Atha Energy Corp. (the “**Company**”) by management of the Company in connection with the solicitation of proxies to be voted at the annual general meeting (the “**Meeting**”) of the shareholders to be virtually held online (<https://web.lumiagm.com/293236225>) on Wednesday, June 25, 2025 at 10:00 a.m. (Vancouver time) and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

VOTING INFORMATION

Solicitation of Proxies

The enclosed Proxy is solicited by and on behalf of management of the Company. The persons named in the enclosed Proxy form are management designated proxyholders. A registered shareholder desiring to appoint some other person (who need not be a shareholder) to represent the shareholder at the Meeting may do so either by inserting such other person’s name in the blank space provided in the Proxy form or by completing another form of proxy. To be used at the Meeting, proxies must be received by Odyssey Trust Company, (“**Odyssey**”) Proxy Department, Trader’s Bank Building, 702, 67 Yonge Street, Toronto, Ontario M5E 1J8 by 10:00 a.m. (Vancouver time) on June 23, 2025 or, if the Meeting is adjourned, by 10:00 a.m. (Vancouver time), on the second last business day prior to the date on which the Meeting is reconvened, or may be accepted by the chairman of the Meeting prior to the commencement of the Meeting. Solicitation will be primarily by mail and via electronic transmissions, but some proxies may be solicited personally or by telephone by regular employees or directors of the Company at a nominal cost. All costs of this solicitation will be borne by the Company.

Voting at the Meeting

Registered shareholders may vote at the Meeting by completing a ballot online during the Meeting, as further described below. See “*How do I attend and participate at the Meeting?*”.

Beneficial shareholders who have not duly appointed themselves as proxyholder will not be able to attend, participate or vote at the Meeting. This is because the Company and its transfer agent do not have a record of the beneficial shareholders of the Company, and, as a result, will have no knowledge of your shareholdings or entitlement to vote, unless you appoint yourself as proxyholder. If you are a beneficial shareholder and wish to vote at the Meeting, you have to appoint yourself as proxyholder, by inserting your own name in the space provided on the voting instruction form sent to you and must follow all of the applicable instructions provided by your intermediary. See “*Appointment of a Third Party as Proxy*” and “*How do I attend and participate at the Meeting?*”.

Appointment of a Third Party as Proxy

The following applies to shareholders who wish to appoint a person (a “**third-party proxyholder**”) other than the management nominees set forth in the form of proxy or voting instruction form as proxyholder, including beneficial shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

Shareholders who wish to appoint a third-party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Shares **MUST** submit their proxy or voting instruction form (as applicable) appointing such

third-party proxyholder AND register the third-party proxyholder, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a Username to attend, participate or vote at the Meeting.

- **Step 1: Submit your proxy or voting instruction form:** To appoint a third-party proxyholder, insert such person's name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you are a beneficial shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder. See below under this section for additional details.
- **Step 2: Register your proxyholder:** To register a proxyholder, shareholders MUST send an email to appointee@odysseytrust.com by 10:00 a.m. (Vancouver time) on June 23, 2025 and provide Odyssey with the required proxyholder contact information, amount of shares appointed, name in which the shares are registered if they are a registered shareholder, or name of broker where the shares are held if a beneficial shareholder, so that Odyssey may provide the proxyholder with a Username via email. Without a Username, proxyholders will not be able to attend, participate or vote at the Meeting.

If you are a beneficial shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary AND register yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary. Please also see further instructions below under the heading "*How do I attend and participate at the Meeting?*".

Legal Proxy – U.S. Beneficial Shareholders

If you are a beneficial shareholder located in the United States and wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder, in addition to the steps described above and below under "*How do I attend and participate at the Meeting?*", you must obtain a valid legal proxy from your intermediary. Follow the instructions from your intermediary included with the legal proxy form and the voting information form sent to you, or contact your intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to Odyssey. Requests for registration from beneficial shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as their proxyholder must be sent by e-mail to appointee@odysseytrust.com and received by 10:00 a.m. (Vancouver time) on June 23, 2025.

How do I attend and participate at the Meeting?

The Company is holding the Meeting as a completely virtual meeting, which will be conducted via live webcast. Shareholders will not be able to attend the Meeting in person. In order to attend, participate or vote at the Meeting (including for voting and asking questions at the Meeting), shareholders must have a valid Username.

Registered shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/293236225>. Such persons may then enter the Meeting by clicking “I have a login” and entering a Username and Password before the start of the Meeting:

- **Registered shareholders:** The control number located on the form of proxy (or in the email notification you received) is the Username. The Password to the Meeting is atha2025 (case sensitive). If as a registered shareholder you are using your control number to login to the Meeting and you have previously voted, you do not need to vote again when the polls open. By voting at the Meeting, you will revoke your previous voting instructions received prior to voting cutoff.
- **Duly appointed proxyholders:** Odyssey will provide the proxyholder with a Username by e-mail after the voting deadline has passed. The Password to the Meeting is atha2025 (case sensitive). Only registered shareholders and duly appointed proxyholders will be entitled to attend, participate and vote at the Meeting. Beneficial shareholders who have not duly appointed themselves as proxyholder will (be able to attend the meeting as a guest but not be able to participate or vote at the Meeting). Shareholders who wish to appoint a third-party proxyholder to represent them at the Meeting (including beneficial shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting) **MUST** submit their duly completed proxy or voting instruction form **AND** register the proxyholder. See “*Appointment of a Third Party as Proxy*”.

Notice and Access Process

The Company has decided to take advantage of the notice-and-access provisions (“**Notice and Access**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) for the delivery of the Information Circular to its shareholders for the Meeting. The Company has adopted this process to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Information Circular, shareholders receive a notice (“**Notice and Access Notification**”) with information on the Meeting date, location and purpose, as well as information on how they may access the Information Circular electronically or request a paper copy. The Company will arrange to mail paper copies of the Information Circular to those registered and beneficial shareholders who have existing instructions on their account to receive paper copies of the Company’s proxy related materials.

Shareholders who receive a Notice and Access Notification can request that printed copies of the Meeting Materials be sent to them by postal delivery at no cost to them up to one year from the date of the filing of this Information Circular on SEDAR+. Shareholders with questions about the Notice and Access system, or who would like to request printed copies of the Meeting Materials, should contact Odyssey via <https://odysseytrust.com/ca-en/help> or by phone at 1-888-290-1175 (toll-free within North America) or 1-587-885-0960 (direct from outside North America). A request for printed copies which are required in advance of the Meeting should be made no later than June 18, 2025, in order to allow sufficient time for mailing.

Non-Registered Holders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or

brokers, and trustees or administrators of self administered RRSPs, RRIFs, RESPs and similar plans, or

- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “OBOs”.

In accordance with the requirements of NI 54-101, the Company has elected to send the Notice and Access Notification in connection with the Meeting indirectly to Non-Registered Holders.

The Intermediaries (or their service companies) are responsible for forwarding the Notice and Access Notification to each OBO, unless the OBO has waived the right to receive proxy related materials from the Company. Intermediaries will frequently use service companies to forward proxy related materials to the OBOs. Generally, an OBO who has not waived the right to receive proxy related materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Odyssey; or
- (b) more typically, be given a voting instruction form (“VIF”) which is not signed by the Intermediary, and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of proxy related materials and related documents (including the Notice and Access Notification). Accordingly, an OBO will not receive copies of proxy related materials and related documents unless the OBO’s Intermediary assumes the costs of delivery.

The Notice and Access Notification and any proxy related materials sent to NOBOs who have not waived the right to receive proxy related materials are accompanied by a VIF, instead of a proxy form. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by the NOBO.

VIFs, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on the Non-Registered Holder’s behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or the Non-Registered Holder’s nominee, the right to attend and vote at the Meeting.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

Although Non-Registered Holders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Non-Registered Holder may attend the Meeting as a proxyholder for a registered shareholder and vote Common Shares in that capacity. Non-Registered Holders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for

the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder. See *“Appointment of a Third Party as Proxy”* and *“How do I attend and participate at the Meeting?”*.

Revocability of Proxies

A registered shareholder who has given a Proxy may revoke it by an instrument in writing that is:

- (a) executed by the shareholder giving same or by the shareholder’s attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and
- (b) delivered either to the registered office of the Company (c/o of MLT Aikins LLP, Suite 2600, 1066 West Hastings Street, Vancouver, British Columbia V6E 3X1) at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof before any vote in respect of which the Proxy is to be used shall have been taken,

or in any other manner provided by law.

Non-Registered Holders who wish to revoke a voting instruction form or a waiver of the right to receive proxy-related materials should contact their Intermediaries for instructions.

Voting of Proxies

Common Shares represented by a shareholder’s Proxy form will be voted or withheld from voting in accordance with the shareholder’s instructions on any ballot that may be called for at the Meeting and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of any instructions, the management designated proxyholder named on the Proxy form will cast the shareholder’s votes in favour of the passage of the resolutions set forth herein and in the Notice of Meeting.**

The enclosed Proxy form confers discretionary authority upon the persons named therein with respect to (a) amendments or variations to matters identified in the Notice of Meeting, and (b) other matters which may properly come before the Meeting or any adjournment thereof. At the time of printing of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Common Shares and preferred shares in the capital of the Company (**“Preferred Share”** and together with the Common Shares, the **“Shares”**) carry voting rights at the Meeting with each Common Share and each Preferred Share carrying the right to one vote. The board of directors of the Company (the **“Board”**) has fixed May 8, 2025 as the record date (**“Record Date”**) for the determination of shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at the Meeting. As of the Record Date, 298,136,564 Common Shares and no Preferred Shares were issued and outstanding as fully paid and non assessable.

To the knowledge of the directors and executive officers of the Company, as at the Record Date, no person beneficially owned, or controlled or directed, directly or indirectly, shares carrying 10% or more of the voting rights attached to the Company’s issued and outstanding Shares.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE MEETING

Under the Company's articles (the "**Articles**"), the quorum for the transaction of business at the Meeting is two persons who are, or represent by proxy, shareholders holding in the aggregate, at least five percent (5%) of the issued Shares. Under the *Business Corporations Act* (British Columbia) and the Company's Articles, a simple majority of the votes cast at the Meeting (in person or by proxy) is required in order to pass the resolutions referred to in the accompanying Notice of Meeting.

APPOINTMENT OF AUDITOR

The appointment of a new auditor of the Company will be proposed at the Meeting further to the Company's requested resignation of Davidson & Company LLP, Chartered Professional Accountants ("**Davidson Company LLP**"), as auditor of the Company. Davidson & Company LLP served as the Company's auditor from March 22, 2021 to January 6, 2025. Upon the resignation of Davidson & Company LLP, MNP LLP, Chartered Professional Accountants ("**MNP LLP**") was appointed as successor auditor of the Company as of January 6, 2025.

The Canadian Securities Administrators' National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**") specifies certain reporting requirements that apply when there is a change in the auditor of a reporting issuer. NI 51-102 requires the Company to prepare a Notice of Change of Auditor and obtain letters from the former and successor auditors and send copies of these documents to relevant securities regulators and to the shareholders of the Company.

A copy of the auditor reporting package containing the Change of Auditor Notice and the letters referred to above is attached as Appendix "A" to this Circular. The Company is not aware of any reportable event (i.e. disagreement, consultation or unresolved issue) in connection with the change of auditor of the Company.

The Board recommends that the Shareholders vote for the appointment of MNP LLP, as the auditor of the Company, at a remuneration to be fixed by the Board.

Unless such authority is withheld, the management-designated proxyholders named in the enclosed Proxy form intend to vote for the appointment of MNP LLP, as the auditor of the Company to hold office until the next annual general meeting of shareholders of the Company, at remuneration fixed by the Board.

ELECTION OF DIRECTORS

The shareholders of the Company last fixed the number of directors of the Company at six. As permitted by the Articles of the Company, after the last annual general meeting, the Board appointed Troy Boisjoli as an additional director. Subsequently, Jeffrey Barber ceased to be a director of the Company on October 28, 2024, and was replaced by Erinn Broshko. Sean Kallir ceased to be a director of the Company on May 12, 2025, and was replaced by Suraj Ahuja. At the Meeting, shareholders will be asked to fix the number of directors at seven. The persons named below are the seven nominees of management for election as directors, all of whom are current directors of the Company. Each nominee elected will hold office as a director until the next annual general meeting or until the director's successor is elected or appointed unless the director's office is earlier vacated under any of the relevant provisions of the Articles of the Company or the *Business Corporations Act* (British Columbia). It is the intention of the persons named as proxyholders in the enclosed Proxy form to vote for the election to the Board of those persons hereinafter designated as nominees for election as directors. The Board does not contemplate that any of such nominees will be unable to serve as a director; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in such shareholder's Proxy that such shareholder's Common Shares are to be withheld from voting in the election of directors.

According to the Company's Articles, the Company must receive advance notice of nominations of directors by shareholders. The purpose of the advance notice provision is to provide shareholders, directors and management of the Company with direction on the procedure for shareholder nomination of directors. The advance notice provision is the framework by which the Company seeks to fix a deadline by which holders of record of Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form. The Company did not receive notice of any director nominations in connection with the Meeting within the time periods prescribed by the Articles. Accordingly, at the Meeting, the only persons eligible to be nominated for election to the Board are the nominees set forth below.

The following table sets out the name of each of the persons proposed to be nominated for election as a director; all positions and offices in the Company presently held by him; his present principal occupation, business or employment (and, in the case of Suraj Ahuja, Troy Boisjoli and Erinn Broshko, who are being nominated for election as a director of the Company at a shareholders' meeting of the Company for the first time, also his principal occupation and employment for at least the last five years, respectively); the period during which he has served as a director; and the number of Common Shares that he has advised are beneficially owned, or controlled or directed, directly or indirectly, as at the Record Date.

CORPORATE GOVERNANCE DISCLOSURE

The following description of the corporate governance practices of the Company is provided further to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and the disclosure prescribed for “Venture Issuers” such as the Company.

Board of Directors

Orientation and Continuing Education

In light of the Company's corporate history and stage of development, each proposed director brings a unique and relevant skill set and professional background. As such, the Company's orientation and training activities are tailored to the particular needs and experience of each director and consist primarily of meetings with members of the executive management team. The Board will provide continuing education for directors on an *ad hoc* basis in respect of issues that are necessary for them to meet their obligations as directors. All of the directors are actively involved in their respective areas of expertise and have full access to management. Directors are periodically provided with the opportunity to visit the Company's properties to become familiar with the Company's operations. Presentations by management and the Company's advisors will also be organized, as needed, to provide ongoing director education.

The Board encourages directors to participate in continuing education opportunities in order to ensure that the directors maintain or enhance their skills and abilities as directors, and maintain a current and thorough understanding of the Company's business.

Ethical Business Conduct

The Board has adopted a written code of business conduct and ethics (the "**Code of Conduct**") governing the Company's employees, officers, and directors. The Code of Conduct sets forth standards of ethical and legal behavior and provides mechanisms for known or suspected ethical or legal violations. The Code of Conduct addresses, among other things, compliance with laws, rules and regulations, confidentiality, commitment, internal controls and disclosure, protection and proper use of our assets, communications, fair dealing, fair competition, equal employment opportunities and harassment, privacy, and reporting any violations of law, regulation or the Code of Conduct.

The Company's Chief Executive Officer and the Chair of the Board are responsible for setting the standards of business conduct contained in the Code of Conduct, as well as overseeing and monitoring compliance with the Code of Conduct. Notwithstanding the foregoing, it is the responsibility of each director, officer, contractor and employee of the Company to comply with the provisions of the Code of Conduct and ignorance of the Code of Conduct will not excuse individuals from its requirements. Pursuant to the Board Mandate and Corporate Governance Policy of the Company, the Board further has the specific responsibility of establishing policies that requires ethical behaviour of the Company and its directors and employees, and compliance with laws and regulations.

If the Board makes any material amendment to the Code of Conduct or grants any waivers, including any implicit waiver, from a provision of the Code of Conduct, the Company will disclose the nature of such amendment or

waiver to the extent required by the rules and regulations of the Canadian Securities Administrators. To date, no such amendment or waiver has been made or granted.

The Company also has a corporate disclosure, confidentiality and securities trading policy (the “**Disclosure Policy**”) that is required to be followed by members of the Board, officers and employees. The Disclosure Policy seeks to ensure that communications to the investing public about the Company are timely, factual and accurate, and broadly disseminated in accordance with all applicable legal and regulatory requirements. The Disclosure Policy extends to all members of the Board, officers, employees, management company employees and authorized spokespersons of the Company and its affiliates and all other persons involved in the business of the Company and its subsidiaries who, by virtue of such relationships, have access to material non-public information and who have received a copy of the Disclosure Policy.

The Board expects that the aforementioned policies and codes, combined with the fiduciary duties and restrictions placed on individual directors by the *Business Corporations Act* (British Columbia) and the common law, will be sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board established a Nominating and Corporate Governance Committee on February 3, 2025. The primary function of the Nominating and Corporate Governance Committee is to monitor the performance of the Board and to ensure that the Company observes good corporate governance practices and nominate individuals qualified to become new board members. The Nominating and Corporate Governance Committee is required to be comprised of two or more directors, a majority of whom are required to be independent directors within the meaning of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”). For additional information, see “*Corporate Governance Disclosure – Other Board Committees – Nominating and Corporate Governance Committee*”.

According to the Company’s Articles, the Company must receive advance notice of nominations of directors by shareholders. The purpose of the advance notice provision is to provide shareholders, directors and management of the Company with direction on the procedure for shareholder nomination of directors. The advance notice provision is the framework by which the Company seeks to fix a deadline by which holders of record of Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

Compensation

The Board established a Compensation Committee (the “**Compensation Committee**”) on December 20, 2023. The Board is responsible for overseeing the Company’s compensation program. The Board has delegated certain oversight responsibilities in this regard to the Compensation Committee but retains final authority over the Company’s compensation program and process. The Compensation Committee is required to be comprised of two or more directors, free from any relationships that would interfere with such committee members’ exercise of independent judgement, and at least a majority of whom are not executive officers, employees or control persons of the Company or an affiliate of the Company.

Compensation of the Company’s current executive officers consists of a base salary, annual incentive compensation in the form of cash bonuses, where deemed appropriate, and/or special bonus and a longer term incentive in the form of equity incentive award under the Company’s equity incentive plan, all of which is intended to be competitive in the aggregate while delivering an appropriate balance between annual compensation (base salary and cash bonuses) and long-term compensation (equity incentive awards).

Base salaries are based on a number of factors and designed to best position the Company to compete for, and retain, executives critical to the Company's long-term success. Bonuses are generally directly tied to corporate and individual performance and are only awarded where the Board determines that such awards are in the best interests of the Company. Long-term incentive awards consist of Options, RSUs, DSUs, and PSUs (each as defined herein) and are designed to align the interests of executive officers with the longer-term interests of shareholders.

The Compensation Committee of the Company meets with the Chief Executive Officer of the Company periodically to discuss corporate goals and performance and to discuss the performance of executive officers individually. The Compensation Committee works with the Chief Executive Officer to set compensation, including proposed salary adjustments, bonuses and equity incentive awards for executive officers.

The Compensation Committee then makes recommendations relating to the compensation of executive officers to the Board. Based on these recommendations, the Board makes decisions concerning the nature and scope of the compensation to be paid to the Company's executive officers. The Compensation Committee bases its recommendations to the Board on its compensation philosophy and the Compensation Committee's assessment of corporate and individual performance, recruiting and retention needs. In establishing base salaries, the Compensation Committee will consider factors such as experience, length of service and compensation compared to other employment opportunities for executives. In determining base salary, the Compensation Committee will also review available market data for other comparable Canadian uranium exploration companies.

Given the stage of the Company's development, a broad peer group has not yet been identified. Salaries are reviewed annually by the Board based on recommendations of the Compensation Committee. Cash bonuses may also be awarded on an ad hoc basis where deemed appropriate by the Compensation Committee and the Board. Bonuses are generally not based on pre-determined objectives and are intended to award extraordinary effort and achievement without financial incentive. Bonuses are determined by the Compensation Committee based on discussions, to the extent appropriate, with the Chief Executive Officer.

Equity incentive awards are granted on a discretionary basis, based on the Board and the Compensation Committee's assessments of responsibilities and achievements, recognizing that at the earlier stage of development, equity incentive awards can help preserve cash resources. Generally, the number and type of equity incentive awards granted to any executive officer is a function of the level of authority and responsibility of the executive officer, the contribution of the executive officer to the business and affairs of the Company, the number of such award that the Company has already granted to the executive officer, and such other factors as the Compensation Committee may consider relevant.

For additional information, see "*Corporate Governance Disclosure – Other Board Committees – Compensation Committee*".

- (1) The numbers under this column represent the number of Options and RSUs and the same number of Common Shares underlying the related Options and RSUs.
- (2) Messrs. Adams, Tincher, Durham and Kleinboeck remained as eligible participants, under the Equity Incentive Plan as each continued as consultants to the Company after their resignation from the applicable offices.
- (3) Mr. Williams was issued replacement Options upon the completion of the LUR acquisition; options were issued fully vested.
- (4) Mr. Ahuja was appointed a director of the Company on May 12, 2025.

Other than as described herein, no compensation security had been repriced, cancelled and replaced, had its term extended, or otherwise been materially modified, in the Company's financial year ended December 31, 2024.

Other than as described herein, there are no restrictions or conditions for converting, exercising, or exchanging the compensation securities. To protect the reputation of the Company and avoid the appearance of impropriety, all directors, officers and employees of the Company and its subsidiaries are required to pre-clear all proposed trades in the Company's securities, including the exercise of Options with the Chief Executive Officer of the Company.

Pursuant to the Company's Director Corporate Governance Policy (the "**Policy**"), if a Black-Out is imposed, until it is lifted, the affected Atha Associates (as defined in the Policy), will not be entitled to exercise or convert any Options or other convertible exercise securities of the Company or Targetco (as defined in the Policy). The Policy also states that as an alternative to a total prohibition on trading during a Black-Out, management may make the determination that trades or exercises of Options may occur during the Black-Out but only with the express prior approval by the Information Officer of each trade. In addition, the Policy states that certain exercisable or convertible securities, including Options issued to Atha Associates that are issued to Atha Associates may expire during a Black-Out and such exercisable or convertible securities may be exercisable or convertible for a period of time, as determined by the Board, after such expiry date, at the sole discretion of the Board (subject to any required regulatory approval).

Trading blackouts are periods of time during which Covered Persons (as defined in the Company's Corporate Disclosure, Confidentiality and Securities Trading Policy adopted by the Board on February 28, 2024) cannot trade the Company's securities or other securities, the price of which may be affected by material undisclosed information. Trading blackout periods will apply to Covered Persons during periods when financial statements are being prepared but results have not yet been publicly disclosed. Generally, the blackout period in respect any financial statements will commence in respect of each Covered Person, from the earlier of (a) the time such Covered Person became aware of any undisclosed financial figures or information forming part of, related to or underlying the financial statements; and (b) ten business days prior to the filing date of such financial statements, and will last until the end of the second trading date of the Company's Common Shares following the publication of the financial statements. Blackout periods may also be prescribed for Covered Persons, from time to time, by certain committees of the Company in circumstances in which material non-public information exists. All persons with knowledge of such information will be covered by the blackout, including external advisors such as legal counsel and investment bankers. Persons subject to the blackout period restrictions whose employment or other relationship with the Company terminates during a blackout period will remain subject to the blackout restrictions until the end of such period.

No NEO or director of the Company exercised any compensation securities during the financial year ended December 31, 2024.

Stock Option Plans and Other Incentive Plans

On December 20, 2022, the Board adopted an omnibus equity incentive plan (the "**Equity Incentive Plan**") which was first approved by the shareholders of the Company on January 20, 2023.

The purpose of the Equity Incentive Plan is to promote the long-term success of the Company and the creation of shareholder value by: (i) encouraging the attraction and retention of eligible persons; (ii) encouraging such eligible persons to focus on critical long-term objectives; and (iii) promoting greater alignment of the interests of such eligible persons with the interests of the Company. The Equity Incentive Plan provides flexibility to the Company to grant equity-based incentive awards in the form of incentive stock options ("**Options**"), restricted share units ("**RSUs**"), performance share units ("**PSUs**") and deferred share units ("**DSUs**") to eligible persons (collectively, the "**Awards**").

The full text of the Equity Incentive Plan is attached thereto as Appendix "B" to the Company's Management Information Circular in connection with its annual general and special meeting of shareholders held on January 20, 2023 which can be found under the Company's profile on the SEDAR+ website at www.sedarplus.ca.

The following information is intended as a brief description of the Equity Incentive Plan and is qualified in its entirety by the full text of the Equity Incentive Plan.

Shares Subject to the Equity Incentive Plan

The Equity Incentive Plan is a rolling 10% plan such that the aggregate number of Common Shares that may be issued upon the exercise or settlement of all Security-Based Compensation Arrangements (as defined in the Equity Incentive Plan) shall not exceed 10% of the Common Shares issued and outstanding from time to time. Common Shares that were the subject of any Awards made under the Equity Incentive Plan that have been settled in cash, or that have been cancelled, terminated, surrendered, forfeited or have expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under the Equity Incentive Plan.

Participation Limits

The Equity Incentive Plan provides that:

- (a) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Common Shares issuable to any Participant under the Equity Incentive Plan, within any 12 month period and at any point in time under Equity Incentive Plan, together with Common Shares reserved for issuance to such Participant (and to companies wholly-owned by that participant) under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 5% of the issued and outstanding Common Shares (calculated as at the date of any grant);
- (b) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Common Shares issuable to insiders under the Equity Incentive Plan, within any 12 month period, together with Common Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Common Shares (calculated as at the date of any grant);
- (c) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Common Shares issuable to insiders under the Equity Incentive Plan, at any point in time, together with Common Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 10% percent of the issued and outstanding Common Shares (calculated as at the date of any grant);
- (d) the maximum aggregate number of Common Shares issuable to any one consultant (as defined in the Equity Incentive Plan) under the Equity Incentive Plan, within any 12 month period, together with Common Shares issuable to such consultant under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 2% percent of the issued and outstanding Common Shares (calculated as at the date of any grant); and
- (e) the maximum aggregate number of Common Shares issuable pursuant to grants of Options to all investor relation service providers performing investor relations activities under the Equity Incentive Plan, within any 12 month period, shall not in aggregate exceed 2% percent of the issued and outstanding Common Shares (calculated as at the date of any grant). For the avoidance of doubt, persons performing investor relations activities are only eligible to receive Options under the Equity Incentive Plan; they are not eligible to receive any Performance-Based Award (as defined in the Equity Incentive Plan) or other type of securities based compensation under the Equity Incentive Plan.

Administration of the Equity Incentive Plan

The Equity Incentive Plan shall be administered by the Board and the Board shall have full authority to administer the Equity Incentive Plan, including the authority to interpret and construe any provision of the Equity Incentive Plan and to adopt, amend and rescind such rules and regulations for administering the Equity Incentive Plan as the Board may deem necessary in order to comply with the requirements of the Equity Incentive Plan.

Eligible Persons under the Equity Incentive Plan

When used in connection with the grant of Options, all officers, directors, employees, management company employees and consultants of the Company are eligible to participate in the Equity Incentive Plan. When used in connection with the grant of Performance-Based Awards, all officers, directors, employees, management company employees and consultants of the Company that do not perform investor relations activities are eligible

to participate in the Equity Incentive Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the Equity Incentive Plan will be determined in the sole and absolute discretion of the Board. Each person who receives a grant under the Equity Incentive Plan is referred to as a **"Participant"**.

Types of Awards

Awards of Options, RSUs, PSUs and DSUs may be made under the Equity Incentive Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the Equity Incentive Plan, and will generally be evidenced by an award agreement.

Options

Each Option entitles a holder thereof to purchase a prescribed number of Common Shares at an exercise price determined by the Board at the time of the grant of the Option, provided that the exercise price of an Option granted under the Equity Incentive Plan shall not be less than the Discounted Market Price (as defined in the Equity Incentive Plan), and provided that if an Option is proposed to be granted by the Company after the Company has just been recalled for trading following a suspension or halt, the Company must wait at least 10 trading days since the day on which trading in the Company's securities resumes before setting the exercise price for and granting the Option. Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not exceed 10 years from the date of grant of the Option. The Board may, in its absolute discretion, upon granting Options under the Equity Incentive Plan, specify different time periods following the dates of granting the Options during which the Participant may exercise their Options to purchase Common Shares and may designate different exercise prices and numbers of Common Shares in respect of which each Participant may exercise Options during each respective time period. Subject to the discretion of the Board, the Options granted to a Participant under the Equity Incentive Plan shall vest as determined by the Board on the date of grant of such Options. If the Board does not specify a vesting schedule at the date of grant, then Options granted to persons, other than those conducting investor relations activities, shall vest fully on the date of grant, and in any event in accordance with the policies of the TSXV. Options issued to persons conducting investor relations activities must vest (and shall not otherwise be exercisable) in stages over a minimum of 12 months such that: (a) no more than 1/4 of the Options vest no sooner than 3 months after the date of grant; (b) no more than another 1/4 of the Options vest no sooner than 6 months after the date of grant; (c) no more than another 1/4 of the Options vest no sooner than 9 months after the date of grant; and (d) the remainder of the Options vest no sooner than 12 months after the date of grant.

If the award agreement for the grant of Options so provides, in the event of a change of control (as defined in the Equity Incentive Plan), all Options granted to a Participant who ceases to be an eligible person shall become fully vested and shall become exercisable by the Participant in accordance with the terms of such award agreement and the Equity Incentive Plan. No acceleration of the vesting of any Options shall be permitted without prior Exchange review and acceptance for Options issued to persons conducting investor relations activities.

Other than as may be set forth in the award agreement for the grant of Options, upon the death of a Participant, any Options granted to such Participant which, prior to the Participant's death, have not vested, will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect; and the Participant or their estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Options granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with Equity Incentive Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the Participant under the Equity Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an eligible person, all Options granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the Equity Incentive Plan and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an eligible person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date.

Where a Participant becomes afflicted by a disability, all Options granted to the Participant under the Equity Incentive Plan will continue to vest in accordance with the terms of such Options; provided, however, that no Options may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all Options granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to disability, had vested pursuant to terms of the applicable award agreement, will accrue to the Participant in accordance with the Equity Incentive Plan and shall be exercisable by such Participant for a period of 90 days following the termination date, or such longer period as may be provided for in the award agreement or as may be determined by the Board, provided such period does not exceed 12 months after the termination date.

Participants may elect to undertake (i) a broker assisted "cashless exercise" pursuant to which the Company or its designee may deliver a copy of irrevocable instructions to a broker engaged for such purposes by the Company to sell the Common Shares otherwise deliverable upon the exercise of Options and to deliver promptly to the Company an amount equal to the exercise price and all applicable required withholding obligations against delivery of the Common Shares to settle the applicable trade; or (ii) a "net exercise" procedure effected by the Company withholding the minimum number of Common Shares otherwise deliverable in respect of an Option that are needed to pay for the exercise price and all applicable required withholding obligations, such that the number of Common Shares received by the Participant is equal to the quotient obtained by dividing: (A) the product of the number of Options being exercised multiplied by the difference between the VWAP (as defined in the Equity Incentive Plan) of the underlying Common Shares and the exercise price of the subject Options; by (B) the VWAP of the underlying Common Shares. A "net exercise" may not be undertaken by Participants engaged in investor relations activities.

Restricted Share Units

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the Equity Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares. The number of RSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the Equity Incentive Plan. All RSUs will vest and become payable by the issuance of Common Shares at the end of the restriction period if all applicable restrictions have lapsed, as such restrictions may be specified in the award agreement.

RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable award agreement, which restrictions may lapse separately or in combination at such time or times and on such

terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time a RSU is granted. The Board shall determine any vesting terms applicable to the grant of RSUs, however, no RSUs may vest before the date that is 12 months following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the Equity Incentive Plan) pursuant to which a Participant ceases to be an eligible person, all restrictions upon any RSUs shall lapse immediately and all such RSUs shall become fully vested in the Participant in accordance with the Equity Incentive Plan.

Upon the death of a Participant, any RSUs granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or their estate, as the case may be, shall have no right, title or interest therein whatsoever. Any RSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with the Equity Incentive Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all RSUs granted to the Participant under the Equity Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date. Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all RSUs granted to the Participant under the Equity Incentive Plan that have not vested will, subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the Equity Incentive Plan.

Where a Participant becomes afflicted by a disability, all RSUs granted to the Participant under the Equity Incentive Plan will continue to vest in accordance with the terms of such RSUs; provided, however, that no RSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all RSUs granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination due to disability, had vested pursuant to terms of the applicable award agreement will accrue to the Participant in accordance with the Equity Incentive Plan.

As soon as practicable after each vesting date of a RSU, the Company shall, at the sole discretion of the Board, either: (a) issue to the Participant from treasury the number of Common Shares equal to the number of RSUs that have vested; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the Equity Incentive Plan) on the next trading day after the vesting date of the RSUs, net of applicable withholdings.

Performance Share Units

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the Equity Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

Subject to the provisions of the Equity Incentive Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of PSUs to eligible persons that do not perform investor relations activities. The number of PSUs to be awarded to any Participant shall be determined by the Board, in its sole discretion, in accordance with the Equity Incentive Plan. Each PSU shall, contingent upon the attainment of the performance criteria within the performance cycle, represent one Common Share.

The Board will select, settle and determine the performance criteria (including without limitation the attainment thereof), for purposes of the vesting of the PSUs, in its sole discretion. An award agreement may provide the Board with the right to revise the performance criteria and the award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the performance criteria unfair unless a revision is made.

All PSUs will vest and become payable to the extent that the performance criteria set forth in the award agreement are satisfied in the performance cycle, the determination of which satisfaction shall be made by the Board on the determination date. No PSU may vest before the date that is 12 months following the date of the award. If the award agreement so provides, in the event of a change of control (as defined in the Equity Incentive Plan) pursuant to which a Participant ceases to be an eligible person, all PSUs granted to a Participant shall become fully vested in such Participant (without regard to the attainment of any performance criteria) and shall become payable to the Participant in accordance with the Equity Incentive Plan.

Other than as may be set forth in the applicable award agreement and below, upon the death of a Participant, all PSUs granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or their estate, as the case may be, shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all PSUs granted to the Participant under the Equity Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date. Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all PSUs granted to the Participant which have not vested will, unless the award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant becomes afflicted by a disability, all PSUs granted to the Participant under the Equity Incentive Plan will continue to vest in accordance with the terms of such PSUs; provided, however, that no PSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all PSUs granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, that the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Payment to Participants in respect of vested PSUs shall be made after the determination date for the applicable award and in any case within 90 days after the last day of the performance cycle to which such award relates. The Company shall, at the sole discretion of the Board, either: (a) issue to the Participant the number of Common Shares equal to the number of PSUs that have vested on the Determination Date; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the Equity Incentive Plan) on the next trading day after the determination date of the PSUs that have vested, net of applicable withholdings.

Deferred Share Units

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the Equity Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

Subject to the provisions of the Equity Incentive Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of DSUs to directors that do not perform investor relations activities in lieu of fees (including annual Board retainers, chair fees, meeting attendance fees or any other fees payable to a director) or to other eligible persons that do not perform investor relations activities as compensation for employment or consulting services. The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the Equity Incentive Plan. The number of DSUs shall be specified in the applicable award agreement. Each director may elect to receive any or all of their fees in DSUs under the Equity Incentive Plan.

The number of DSUs shall be calculated by dividing the amount of Fees selected by a director by the Market Unit Price (as defined in the Equity Incentive Plan) on the grant date (or such other price as required under the Policies of the TSXV) which shall be the 10th business day following each financial quarter end. Any fractional DSU shall be rounded down and no payment or other adjustment will be made with respect to the fractional DSU.

No DSUs may vest before the date that is 12 months following the date of the award of the DSU.

Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an eligible person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date after the Participant ceases to be an eligible person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be an eligible person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an eligible person, at the sole discretion of the Board, either: (a) that number of Common Shares equal to the number of vested DSUs credited to the participant's account, such Common Shares to be issued from treasury of the Company; or (b) a cash payment in an amount equal to the Market Unit Price on the next trading day after the Participant ceases to be an eligible person of the vested DSUs, net of applicable withholdings.

In the event that the value of a DSU would be determined with reference to a period commencing at a fiscal quarter end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the DSUs will be made to the Participant with reference to the five (5) trading days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).

Upon death of a Participant holding DSUs that have vested, the Participant's estate shall be entitled to receive, within one year of the Participant's death and at the sole discretion of the Board, a cash payment or Common

Shares that would have otherwise been payable in accordance with the Equity Incentive Plan to the Participant upon such Participant ceasing to be an eligible person.

General Provisions of the Equity Incentive Plan

Non-Transferability

No Option or Performance-Based Award and no right under any such Option or Performance-Based Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution and only then if permitted by the Policies of the TSXV. No Option or Performance-Based Award and no right under any such Option or Performance-Based Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.

Black-out Periods

In the event that the date provided for expiration, redemption or settlement of an award falls within a blackout period imposed by the Company pursuant to a trading policy as the result of the *bona fide* existence of undisclosed material information, the expiry date, redemption date or settlement date, as applicable, of the award shall automatically be extended to the date that is ten (10) business days following the date of expiry of the blackout period. Notwithstanding the foregoing, there will be no extension of any award if the Company (or the Participant) is subject to a cease trade order (or similar order under applicable law.)

Deductions

Whenever cash is to be paid in respect of DSUs, RSUs or PSUs, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Common Shares are to be delivered in respect of DSUs, RSUs or PSUs, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Common Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement, all in accordance with the Policies of the TSXV, by delivering (on a form prescribed by the Company and in any event in accordance with the Policies of the TSXV) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Common Shares and deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.

Amendments to the Equity Incentive Plan

The Board may at any time or from time to time, in its sole and absolute discretion and without the approval of shareholders, amend, suspend, terminate or discontinue the Equity Incentive Plan and may amend the terms and conditions of any Options or Performance-Based Awards granted hereunder, subject to:

- (a) any required disinterested shareholder approval to (i) reduce the exercise price of an Option or Performance-Based Award issued to an insider or (ii) extend the term of an Option granted to an insider, in either event, in accordance with the Policies of the TSXV while the Common Shares are listed on the TSXV;
- (b) any required approval of any applicable regulatory authority or the TSXV; and

- (c) any approval of shareholders as required by the Policies of the TSXV (or otherwise required by the TSXV) or applicable law, provided that shareholder approval shall not be required for the following amendments (except that the TSXV may require approval of the shareholders for amendments under items (c)(iii) to (c)(vii) below) and the Board may make any changes which may include but are not limited to:
 - (i) amendments of a “housekeeping nature”;
 - (ii) amendments for the purpose of curing any ambiguity, error or omission in the Equity Incentive Plan or to correct or supplement any provision of the Equity Incentive Plan that is inconsistent with any other provision of the Equity Incentive Plan;
 - (iii) amendments which are necessary to comply with applicable law or the requirements of the TSXV;
 - (iv) amendments respecting administration and eligibility for participation under the Equity Incentive Plan;
 - (v) amendments to the terms and conditions on which Options or Performance-Based Awards may be or have been granted pursuant to Equity Incentive Plan including amendments to the vesting provisions and terms of any Options or Performance-Based Awards;
 - (vi) with the exception of Options granted to persons performing investor relations activities, amendments which alter, extend or accelerate the terms of vesting applicable to any Options or Performance-Based Awards; and

In addition, the Committee is responsible for overseeing the audits of the financial statements of the Company, for directing the auditors’ examination of specific areas, for the selection of the independent external auditors of the Company and for the approval of all non-audit services for which the auditors of the Company may be engaged.

I. STRUCTURE AND OPERATIONS

The Committee shall be comprised of at least three members, each of whom shall be a director of the Company, and: (i) in the event the Company is not a “venture issuer” (as defined in National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”)) at such time, at least a majority of whom shall meet the independence requirements of NI 52-110; or (ii) in the event the Company is a “venture issuer” at such time, at least a majority of whom shall not be executive officers, employees or control persons of the Company or an affiliate of the Company, in each case, except as permitted by applicable regulatory guidelines.

Each member of the Committee shall satisfy, or work towards satisfying, the “financial literacy” requirement of NI 52-110, by having the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that can reasonably be expected to be raised by the financial statements of the Company.

The members of the Committee shall be annually appointed by the Board and shall serve until such member’s successor is duly elected and qualified or until such member’s earlier resignation or removal. The members of the Committee may be removed, with or without cause, by a majority of the Board.

II. CHAIR OF THE COMMITTEE

Unless the Board elects a Chair of the Committee, the members of the Committee shall designate a Chair by the majority vote of the full Committee membership.

The Chair of the Committee shall:

- (a) Call and conduct the meetings of the Committee;
- (b) Be entitled to vote to resolve any ties;
- (c) Prepare and forward to members of the Committee the agenda for each meeting of the Committee, and include, in the agenda, any items proposed for inclusion in the agenda by any member of the Committee;
- (d) Review with the Chief Financial Officer (“**CFO**”) and the auditors for the Company any matters referred to the Chair by the CFO or the auditors of the Company;

- (e) Appoint a secretary, who need not be a member of the Committee, to take minutes of the meetings of the Committee; and
- (f) Act in a manner that the Committee meetings are conducted in an efficient, effective and focused manner.

III. MEETINGS

The Committee shall meet at least quarterly or more frequently as circumstances dictate. As part of its goal to foster open communication, the Committee shall periodically meet with management and the external auditors in separate sessions to discuss any matters that the Committee or each of these groups believes should be discussed privately. The Committee may meet privately with outside counsel of its choosing and the CFO of the Company, as necessary. In addition, the Committee shall meet with the external auditors and management quarterly to review the Company's financial statements in a manner consistent with that outlined in this Charter.

The Committee may invite to its meetings any partners of the Company, management and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

A majority of the Committee members, but not less than two, shall constitute a quorum. A majority of members present at any meeting at which a quorum is present may act on behalf of the Committee. The Committee may meet by telephone or videoconference and may take action by unanimous written consent with respect to matters that may be acted upon without a formal meeting.

The Committee shall maintain minutes or other records of meetings and activities of the Committee. Notice of the time and place of every meeting shall be given in writing or electronic communication to each member of the Committee at least 24 hours prior to the time fixed for such meeting provided however, that a member may in any manner waive a notice of a meeting. Attendance of a member at a meeting is a waiver of notice of the meeting, except where a member attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.

IV. RESPONSIBILITIES, DUTIES AND AUTHORITY

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities outlined in this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal and other conditions.
